

Certified Hydronics

October 22, 2010

West Lafayette Police Station

711 West Navajo Street
West Lafayette IN 47906

Reference: Boiler Hydronic Loop Systems Chemicals and Testing

Dear Mr. Francis and Mr. Martin,

System capacity has been estimated @ 150 gallon.

The boiler hydronic loop system will be tested 4 times per year.

Chemical testing and treatment of existing boiler loop systems will be \$500.00 per year and will include 5 gallons of chemicals.

If additional chemical is required due to mechanical failures, building changes or system changes there would be an additional charge.

This annual agreement will be in effect from January 01, 2011 through December 31, 2015 unless either party gives thirty (30) days written notice to the other of intention to cancel agreement.

In the event litigation is commenced to enforce any term or condition of this agreement the prevailing party in such litigation shall be entitled to costs of litigation including a reasonable attorney fee.

Thanks,

Certified Hydronics

Alan Hofmeyer
